<sup>1</sup> As of the date of this Application, Applicant has not received interim payment on its invoice for services rendered 12/01/12 – 12/31/12 “the ‘December Statement’. The deadline for filing objections to the December Statement was 2/19/13 and no objections were received. Debtors have assured Applicant that interim payment would be made during the week this Application is filed, and for this reason, the figures above (and throughout this Application) reflect that payment was received. If payment is not received prior to the hearing currently scheduled for April 11, 2013, Applicant will amend this Application accordingly.

<sup>2</sup> This monthly statement includes invoices for services rendered May 15, 2012 through September 30, 2012. It has been adjusted to eliminate a duplicate expense charge in the amount of \$441.87 that appeared on Applicant’s May invoice (#10763440, page 8) and Applicant’s July invoice (#10775097, page 11). Applicant has eliminated the duplicate charge, and reduced the expenses requested on Invoice #10775097 from \$12,912.70 to \$12,470.85. Consequently, the May – September Statement contained in this fee application is \$441.87 less than the May – September Statement served on the Notice Parties. The amount paid on Applicant’s November statement (Invoice #10788585) was reduced by \$441.87 (from \$5,398.87 to \$4,957.00) to reconcile the overpayment.

FORECLOSURE REVIEW COUNSEL FOR BANKRUPTCY ISSUES FOR THE  
DEBTORS FOR COMPENSATION AND REIMBURSEMENT OF EXPENSES  
INCURRED FOR THE PERIOD MAY 15, 2012 THROUGH DECEMBER 31, 2012**

For its first interim application for compensation and reimbursement of expenses  
(the “**Application**”) for the period May 15, 2012 through December 31, 2012 (the “**Application  
Period**”), Pepper Hamilton LLP (“**Applicant**”), Special Foreclosure Review Counsel For

Bankruptcy Issues to Residential Capital, LLC., *et al.*, as debtors and debtors in possession (collectively, the “**Debtors**”), respectfully represents as follows:

**JURISDICTION, VENUE AND STATUTORY PREDICATES**

1. This Court has jurisdiction over this Application pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2). Venue of this proceeding and this Application in this District is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

2. The statutory bases for the relief requested herein are sections 330, 331, and 1103 of title 11 of the United States Code (the “**Bankruptcy Code**”), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), and Rule 2016-1 of the Local Rules for the United States Bankruptcy Court for the Southern District of New York (the “**Local Rules**”).

This Application has been prepared in accordance with General Order M-447, *Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases*, entered December 21, 2010 (the “**Local Guidelines**”), and the *United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330* effective January 30, 1996 (the “**UST Guidelines**” and, together with the Local Guidelines, the “**Guidelines**”). Pursuant to the Local Guidelines, a certification regarding compliance with the Local Guidelines is attached hereto as Exhibit A.

**BACKGROUND**

**A. The Chapter 11 Cases**

3. On May 14, 2012 (the “**Petition Date**”), each of the Debtors filed a voluntary petition in this Court for relief under Chapter 11 of the Bankruptcy Code. The Debtors are managing and operating their businesses as debtors in possession pursuant to Bankruptcy Code

sections 1107(a) and 1108. These cases are being jointly administered pursuant to Bankruptcy Rule 1015(b). No trustee has been appointed in these Chapter 11 cases.

4. On May 16, 2012, the United States Trustee for the Southern District of New York (the “**U.S. Trustee**”) appointed a nine member official committee of unsecured creditors (the “**Creditors’ Committee**”).

5. On June 20, 2012, the Court directed that an examiner be appointed, and on July 3, 2012, the Court approved Arthur J. Gonzalez as the examiner [Docket Nos. 454, 674].

**B. Applicant’s Retention and Interim Compensation**

6. On October 11, 2012, the Court entered the Interim Order Authorizing the Retention and Employment of Pepper Hamilton LLP as Special Foreclosure Review Counsel for Bankruptcy Issues to the Debtors Nunc Pro Tunc to the Petition Date [Docket No.1797], approving Applicant’s retention.

7. On July 17, 2012, the Court entered the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* (the “**Interim Compensation Order**”) [Docket No. 797]. Pursuant to the terms of the Interim Compensation Order, Applicant, among others, is authorized to file and submit monthly fee applications to the Debtors and their counsel, counsel for the Creditors’ Committee, counsel for Ally Financial Inc., counsel for Barclays Bank PLC, and the United States Trustee (collectively, the “**Notice Parties**”).

8. On October 23, 2012, Applicant served its first monthly invoice covering the period from May 15, 2012 through September 30, 2012 (the “**May – September Statement**”) on the Notice Parties. On December 4, 2012, Applicant served its second monthly fee application covering the period from October 1, 2012 through October 31, 2012 (the “**October Statement**”)

on the Notice Parties. On January 9, 2013, Applicant served its third monthly invoice covering the period from November 1, 2012 through November 30, 2012 (the “**November Statement**” on the Notice Parties. On January 30, 2013, Applicant served its fourth monthly invoice covering the period from December 1, 2012 through December 31, 2012 (the “**December Statement**” on the Notice Parties, and together with the May – November invoices, the “**Monthly Statements**”) on the Notice Parties. As of the date hereof, Applicant has not received any objection to the Monthly Statements.

9. Attached as Exhibit B is a schedule of the total amount of fees incurred by Applicant during the Application Period. In accordance with the terms of its employment, all services performed by Applicant have been in connection with the bankruptcy workstream (the “**Bankruptcy Workstream**”) under the Consent Order defined in, and all as more fully described in, Debtors’ Application for an Order Under Section 327(e) of the Bankruptcy Code, Bankruptcy Rule 2014(a) and Local Rule 2014 Authorizing the Debtors to Employ and Retain Pepper Hamilton LLP as Special Foreclosure Review Counsel for Bankruptcy Issues to the Debtors Nunc Pro Tunc to May 14, 2012 [Docket no. 1426].

10. The total payments received by Applicant as of the date hereof are equal to: (i) 80% of requested compensation and (ii) 100% of requested expenses on the May – December Statements. Specifically, to date, the Applicant has received payments totaling \$1,868,595.13, representing \$1,781,267.40 in fees and \$87,327.73 in expenses.

11. Applicant maintains computerized records of the time expended in the rendering of the professional services required by the Debtors. These records are maintained in the ordinary course of Applicant’s practice. For the convenience of this Court and all parties in interest, attached hereto as Exhibit C is a billing summary for the Application Period, setting

forth the name of each attorney and paraprofessional who rendered services during the Application Period, each attorney's year of bar admission and area of practice concentration, the aggregate time expended by each attorney and each paraprofessional, the hourly billing rate for each attorney and each paraprofessional at Applicant's current billing rates, and the individual amounts requested for each professional. The compensation requested by Applicant is based on the customary compensation charged by comparably skilled practitioners in other similar cases.

12. Applicant also maintains computerized records of all expenses incurred in connection with the performance of professional services. A summary of the amounts and categories of expenses for which reimbursement is sought is attached hereto as Exhibit D.

13. Copies of Applicant's computerized records of fees and expenses in the format specified by the Guidelines have been served on the Notice Parties with each of the Monthly Fee Statements and are attached hereto as Exhibit E. Except as otherwise noted on Exhibit E, all meal expenses were incurred during out-of-town travel. In addition, although the Court's guidelines permit non-working travel to be billed at 50%, Applicant has not sought any compensation for non-working travel.

14. There is no agreement or understanding between Applicant and any other person, other than partners of the firm, for the sharing of compensation to be received for services rendered in the Chapter 11 Cases.

15. The Monthly Fee Statements submitted by Applicant are subject to a 20% holdback (as is customary in this District) imposed by the Court on the allowance of fees. The aggregate amount of Applicant's holdback during the Application Period is \$445,316.85. Applicant respectfully requests, in connection with the relief requested herein, that the Court

allow this holdback amount on an interim basis pursuant to sections 330 and 331 of the Bankruptcy Code and authorize the Debtors to satisfy such amounts.

**DESCRIPTION OF SERVICES AND EXPENSES AND RELIEF REQUESTED**

16. In accordance with the terms of its employment, Applicant has provided legal advice and assistance to the independent consultant with respect to the Bankruptcy Workstream.

17. All services provided by Applicant have been in connection with the Bankruptcy Workstream under the Consent Order, as more fully described in Debtors' Application for an Order Under Section 327(e) of the Bankruptcy Code, Bankruptcy Rule 2014(a) and Local Rule 2014 Authorizing the Debtors to Employ and Retain Pepper Hamilton LLP as Special Foreclosure Review Counsel for Bankruptcy Issues to the Debtors Nunc Pro Tunc to May 14, 2012 [Docket no. 1426], and therefore all services have been recorded under the task code P-270 – Regulatory Reviews.

18. The services performed included developing and refining the legal review process for bankruptcy law violations, working with PricewaterhouseCoopers, LLP to develop the loan review process for bankruptcy law violations and reviewing loan files to determine whether the Debtor's actions against borrowers or their property violated bankruptcy laws.

19. The time records attached hereto as Exhibit E present more completely the work performed by Applicant during the Application Period.

**CONCLUSION**

20. Applicant believes that the services rendered during the Application Period on behalf of the Debtors were reasonable and necessary within the meaning of Bankruptcy Code section 330. Further, the expenses requested were actual and necessary to the performance of Applicant's services.

21. Applicant therefore requests an order (i) approving interim compensation in the amount of \$2,226,584.25 and interim reimbursement of expenses in the amount of \$87,327.73,<sup>1</sup> (ii) directing payment of all compensation held back in connection with the Monthly Fee Statements, and (iii) granting such other and further relief as may be just and proper.
